About Royal Windows

Custom Blinds & Window Treatments Since 1992

Our Commitment

We are sensitive to your needs and committed to providing you with consistent quality, unmatched service, and competitive pricing. Royal Windows is also dedicated to product innovation — we were the first in the industry to develop and market Foam PVC to the entire trade.

At Royal Windows, we believe in developing strong dealer relationships by offering a diversified product mix, sales and marketing support, superior customer service, and consistent pricing. Royal Windows is committed to protecting our dealer network by not offering our products directly to the public.

How to Measure an Arch

Measurement Guide for Elegant Arch, Quarter Arch & Smart Arch

Arches and Eyebrows are made so they can be fitted into almost any window. This is possible by the exclusive molding that frames these products and also by accurate measuring. Follow these simple instructions to ensure a perfect fit.

DIAGRAM A — Full Arch

Step 1

Measure the base width of the arch opening from left frame to right frame.

Step 2

Measure the height at three points: left side, center (highest point), and right side. See Diagram A.

Step 3

Supply the SMALLEST of the three height measurements when ordering.

DIAGRAM B — Quarter Arch

Step 1

Measure the base width of the quarter arch opening.

Step 2

Measure the height and the 45-degree angle diagonal. See Diagram B.

Step 3

Supply the SMALLEST of the three measurements for both the width and height.

When Is a Template Required?

Product	Template Required When...	Example
Elegant Arch	Height differs from half of the width by more than 1"	36" Width with 17" Height (half = 18", diff = 1")
Quarter Elegant Arch	Height differs from half of the width by more than 1"	36" Width with 35" Height (half = 18", diff >1")

If a template is required, add 25% to the price. Orders can be placed via royalwindowsinc.com or by email/fax with completed order form. Phone orders cannot be accepted.

Redi-Shade® Temporary Shade

High-Quality White Paper · Peel & Stick · Cordless

Redi-Shade® Original Temporary Shade is made of high-quality white paper that gently allows light to filter through. Completely recyclable and cordless — safe for homes with children and pets.

Size	Per Box (6 shades)	Per Case (6 boxes)
36" x 72"	\$43.20	\$259.20
48" x 72"	\$46.80	\$280.80

Installation Tips

- Measure the inside width of your window frame — trim shade to fit.
- For arch windows: measure midpoint of arch base; peel tape, stick to left side, open fan-style and tape right side and top center.
- Length may also be trimmed with scissors if needed.

Roller Shade

Continuous Cord Loop & Cordless Options · 5-Year Fabric Warranty

Policies & Procedures

New Accounts

All new accounts will be processed upon receipt of a signed, completed account application. New accounts will be processed as PREPAID CASH ONLY pending approval of credit.

Past Due Accounts

In some cases, new orders will not be processed until a resolution has been made on the account. A 1.5% per month (18% per annum) service charge will be assessed on all past due balances.

NSF Check or Stopped Payment

A \$45.00 fee will be added to the check amount. Cashier's check, money order, or cash will be required.

Orders

We accept faxed, mail, email (orderentry@royalwindowsinc.com), and online orders. Changes to orders already placed should be faxed or emailed; otherwise, signature is required. In the case of conflicting color and product type, the color number takes precedence.

Order Confirmation

A printed confirmation will be faxed or e-mailed within 24 hours of receipt (excludes weekends and holidays).

Duplicate Orders

Royal Windows cannot be responsible for duplicated orders due to same P.O. number or double faxing. Always mark re-submissions as "CONFIRMATION ONLY." Use a unique P.O. number for each order.

Cancellations

Orders may be cancelled if NOT already in production. If production has started, a restocking fee will apply. Contact Customer Service for the cancellation number — required as proof of cancellation. Prepaid orders may be cancelled if no response within 10 business days.

Returns for Repair

Contact Customer Service for a Return Authorization Number (RGA). Products returned without an RGA number will not be processed and will be returned to the customer. Royal Windows is not responsible for damage or loss due to shipping.

Remakes

Contact Customer Service for remake requests. All decisions to remake are made solely by Royal Windows.

Return for Credit

No credit will be accepted without prior approval. All returns are conditional upon final inspection. Contact Customer Service for RGA number and return instructions.

Back Orders

You will be notified within 24 hours of receipt of your order if any items are on back order. You may then reselect a new color/product or wait.

Color Variation Between Dye Lots

Finished products can vary slightly from samples due to wood grain and dye lots. We strongly recommend ordering all blinds, shades, or shutters at the same time for the best match.

Warranty Information

Five-Year Warranty

Roller Shades

Royal Windows offers a 5-year warranty on all fabrics, fascia, and beaded cord from the date of purchase. Moving parts carry a three-year limited warranty.

Two-Year Warranty

2" Custom Cordless Wood · 2" Custom Cordless Faux Wood · 2" Expression Cordless Faux Wood · 1" Cordless Aluminum

Products will be free from defects in materials and workmanship for 2 years, provided proper installation and use in the original window.

One-Year Warranty

2" Budget Cordless FW · 2½" Budget Cordless FW · 2" Stock Cordless FW · 1" Stock Cordless Vinyl Plus · 3.5" PVC Verticals (all types) · All Arches/Eyebrows

Products will be free from defects in materials and workmanship for 1 year, provided proper installation and use in the original window.

What IS Covered

- ✓ Operating mechanisms (inner cords, ladders) and components — 1 year from purchase (minimal fees for parts)
- ✓ All internal mechanisms, components, and brackets
- ✓ Manufacturing defects and shipping damage — must be reported within 7 business days of receipt

What is NOT Covered

- ✗ Normal wear and tear: wand tilter over-tightening, cordless module mis-use
- ✗ Damage from accidents, improper cleaning chemicals, alterations, misuse
- ✗ Color variation from dye lots or sun exposure; PVC cracking in direct sunlight
- ✗ Excessive warping of wood or faux wood in high humidity
- ✗ Products ordered outside recommended specifications (oversized)
- ✗ Damage from children, pets, or insects
- ✗ Transportation, removal, re-measure, or reinstallation costs
- ✗ All Discontinued products

To Obtain Warranty Service

Contact Customer Service at customerservice@royalwindowsinc.com. Include nature of the problem, pictures of the problem and proof of purchase (invoice or order number). All returned products require prior approval and a Return Goods Authorization (RGA) number. Shipping damage must be reported within 7 days of receipt.

Royal Windows Inc. reserves the right to make the final determination on all warranty claims and will repair, replace, or issue credit at its sole option.
